

Horry County Historical Society

2017 Membership Form

EMAIL: HorryCountyHistoricalSociety@gmail.com 843-488-1966 WEB SITE: www.hchsonline.org

The mission of the Horry County Historical Society is to discover and encourage the preservation of all written records and oral traditions touching on or pertaining to the history of Horry County, South Carolina; to aid and encourage individuals and associations in compiling and publishing historical material pertaining to Horry County; to encourage the preservation and restoration of historic buildings and sites in Horry County.

Interest in Horry County history is growing and recently we established a subgroup of the Society called "Friends of the Bryan House". After first joining the Society, you then have the opportunity to also join Friends of Bryan House. Friends of Bryan House will be an added option as a subgroup. This subgroup is for members who are particularly interested in helping preserve and maintain our historic headquarters. Additional dues for that sub-group are \$50/year.

The following is what you can expect for your membership:

Horry County Historical Society membership entitles you access to our "Members Only" section on our web site, under construction now, which will contain newly published historical articles and other research information, in addition to our four membership meetings, volunteer opportunities, and interaction with others who have similar interests as you.

Friends of Bryan House members are current HCHS members who are interested in the preservation and maintenance of the Bryan House building and grounds. Occasionally, "Friends of Bryan House" members conduct docent-guided tours of the Bryan House and host other special fundraising events to support their efforts to preserve and maintain our historic headquarters, the Bryan House.

We hope that you renew your HCHS membership and if interested also join "Friends of Bryan House".

Indicate below the 2017 HCHS Membership Category which you prefer:
